

U.S. News & World Report Recognizes 35 Sonida Senior Living Communities with Best Senior Living Award 2023-2024

DALLAS, May 18, 2023 – Sonida Senior Living, Inc. (the “Company” or “Sonida Senior Living”) (NYSE: SNDA), a leading owner-operator of senior living communities and services announced that 35 of its communities received designations of Best Independent Living, Best Assisted Living, and/or Best Memory Care on U.S. News & World Report’s Best Senior Living Communities 2023. Several of the communities received awards in multiple categories.

“We are honored to have many of our communities recognized as the best in senior living for the second consecutive year and to see additional communities join the list for 2023. It is a testament to our team members who create safe, caring spaces and cultivate joy for our residents every day. We are grateful for their hard work and dedication,” said Brandon Ribar, President and CEO. “This acknowledgement is especially meaningful because it reflects direct feedback from our residents and families and demonstrates the value of the services we provide and our commitment to helping our residents thrive.”

U.S. News evaluated nearly 4,000 communities in one or more of the following categories: independent living, assisted living, memory care and continuing care retirement. U.S. News awards the designation of Best Senior Living only to those communities that satisfy U.S. News’ statistical assessment of performance on consumer satisfaction surveys administered between April 2022 and November 2022, reflecting the viewpoints of more than 200,000 current residents and family members of residents living in thousands of senior living communities nationwide.
